# In Search Of The Christ-Sophia: An Inclusive Christology For Liberating Christians

## Synopsis

IN SEARCH OF THE CHRIST-SOPHIA presents powerful biblical and theological support for a Divine Feminine image buried in Christianity. The popularity of THE DA VINCI CODE demonstrates the widespread hunger for the lost Sacred Feminine. This book resurrects Sophia (Wisdom) and connects Her to Jesus Christ. Aldredge-Clanton combines theological scholarship with pastoral sensitivity to demonstrate that a christology inclusive of both female and male is vital to liberation and equality. She uncovers the New Testament links between Christ and Wisdom (Sophia), a feminine symbol of Deity in the Hebrew Scriptures. She applies the theology of Christ-Sophia to contemporary spirituality, social justice ministry, and the restructuring of the Christian community. This book also contains services, prayers, litanies, reflections, and songs that can be used for personal meditation or communal worship. With a clear and concise style accessible to general readers and theology students, IN SEARCH OF THE CHRIST-SOPHIA challenges individuals and churches to bring liberation through the inclusion of the Divine Feminine.

## Book Information

Paperback: 208 pages

Publisher: Eakin Press; 2nd ed. edition (March 3, 2004)

Language: English

ISBN-10: 1571687874

ISBN-13: 978-1571687876

Product Dimensions: 6 x 0.4 x 9 inches

Shipping Weight: 12 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (3 customer reviews)

## Customer Reviews

The search for Christ has continued for the last 2000 years. It started on that famed Easter Sunday when Mary Magdalene, Salome and Mary (mother of James) went to the empty tomb. Since that day the search for the risen Christ has never stopped. Some say they have found Christ, but their announcement is often greeted with the same skepticism that these three women encountered: "The apostles did not believe the women for their words seem like nonsense." (Luke 24:11) Jann

Aldredge-Clanton writes that she has found Christ in Sophia. Sophia is the term for the feminine, incarnate, personified Wisdom of God. Jann's Sophia Christology seeks to "save Christianity from an exclusively masculine divine image" and she desires to resurrect an image that can hold divine masculinity and divine femininity in equal balance. Her metaphorical use of "Sophia-Christ" represents a feminine symbol for God's presence and the saving actions of Jesus. Recovering this metaphor means developing a Christology less restricted by gender. This is a Christology that replaces the exclusive masculine gender concept of God. This is a liberating approach for understanding Jesus Christ, especially for women, who, with this Christology, can equally represent and reflect Jesus. The resurrection of Christ is critical to Jann's "Sophia Christology." For Jann there is no Christian faith without the resurrection, and the resurrection is more than an event, the resurrection "proclaims the presence of God alive in the world today." Her Christology is not new, for "Wisdom Christology" predates the more traditional Son of God and Logos Christologies. What is refreshingly interesting is how she weaves "Wisdom Christology" into a strong feminist Christology. However interesting this maybe it is still sexist.
