Be Skillful (Proverbs): God's Guidebook To Wise Living (The BE Series Commentary)

Synopsis

Our world yearns for how-to guides and the secret to a fulfilled life. However, no truth is man-made. The wisdom that God granted to King Solomon is the same wisdom that would benefit us today "if only we would seek it. The book of Proverbs offers principles to develop godly character daily. From the dangers of speaking without listening to the satisfaction inherent in fearing the Lord, author Warren Wiersbe will unpack the Scriptures in ways that will help you apply these spiritual truths. Having pastored three churches, Wiersbe is a man who has dedicated his life to a deep understanding of the Word. Allow the insight he's gained over the years to penetrate your heart. Soon, wisdom will be your companion, and folly your sworn enemy.

Customer Reviews

This book is filled with easy to understand Skillful living. How did a man like Solomon who had such great wisdom end up being so foolish? A commentary like this is filled with just good basic instruction I would highly recommend this book for the person who wanted to learn the basic principles of living life well.

We live in the information age certainly not in the age of wisdom. "Be Skillful" is about Godly Wisdom. Warrens Wiersbe's there is how to make a life for yourself chocked full of priorities and principles. The book is bout wealth that lasts throughout eternity. The major sections of the

book....What wisdom is and where to find it.How to choose the right path in life?What happens when you choose the wrong path?How to make the best use of time and money?How to make and keep the right kind of friends?How to build a happy marriage and successful home?"Be Skilled" must be studied along with the Word as that is where true truth and wisdom resides.It makes a great Bible Study book. Easy jet packed full of yes, wisdom.

Good, in depth study of the book of Proverbs when used with its companion study book. This study will take a while but well worth it.

I like that is is like a workbook so it gives me a deeper understanding. It causes me to ponder and to actively apply it to my life.

Warren Wierbe takes the reader through the reality of what really matters, God's Wisdom expressed in the Book of Proverbs. Warnings, admonishments, solutions to life's situations are shared in this short book.

This is an excellent book, the author touched on points that many question and brought clarity in how to read Poverbs. I recommend it to those interested in obtaining a deeper understanding of the Word of God.

Want to use this study by Warren Wiersbe for his comments on Proverbs each day I read a chapter in Proverbs.

I bought the book to use as a resource for a writing assignment about Proverbs and found it useful. The writing is easy to understand, and the background information is very helpful without being overly scholarly. The writer is skillful at providing summary paragraphs that capture the basic contents in an organized way. The last part of the book deals with general topics found in Proverbs, which makes it a little difficult to find the corresponding commentary on a specific proverb. But overall, this is an excellent introduction to the book, which should prove useful and instructive to most readers.
