Flora And Ulysses: The Illuminated Adventures

Synopsis

Winner of the 2014 Newbery Medal Holy unanticipated occurrences! A cynic meets an unlikely superhero in a genre-breaking new novel by master storyteller Kate DiCamillo. It begins, as the best superhero stories do, with a tragic accident that has unexpected consequences. The squirrel never saw the vacuum cleaner coming, but self-described cynic Flora Belle Buckman, who has read every issue of the comic book *Terrible Things Can Happen to You!*, is just the right person to step in and save him. What neither can predict is that Ulysses (the squirrel) has been born anew, with powers of strength, flight, and misspelled poetry — and that Flora will be changed too, as she discovers the possibility of hope and the promise of a capacious heart. From #1 New York Times best-selling author Kate DiCamillo comes a laugh-out-loud story filled with eccentric, endearing characters and featuring an exciting new format — a novel interspersed with comic-style graphic sequences and full-page illustrations, all rendered in black-and-white by up-and-coming artist K. G. Campbell.

Book Information

Lexile Measure: 520L (What's this?)

Hardcover: 240 pages

Publisher: Candlewick Press (September 24, 2013)

Language: English

ISBN-10: 076366040X

ISBN-13: 978-0763660406

Product Dimensions: 6.2 x 0.8 x 8.2 inches

Age Range: 8 - 12 years

Grade Level: 3 - 7

Customer Reviews

Oh how I love this book. My 9-year-old son got to it before me, and how he loves this book. We've read excerpts aloud to my 15-year-old daughter who has never lost her appreciation for children's books (She must get it from me), and she loves what she's heard, and is going to read it next, now

that I'm finished it. You can read the description yourself, but the characters speak to what was lovely about the book: FLORA -- A precocious (and self-proclaimed cynical) 10-year-old girl. ULYSSES -- A squirrel who got sucked up by a vacuum cleaner, the survival of which event gave him powers like flying and the ability to understand and communicate. TOOTIE TICKHAM -- The neighbor, probably nosy but definitely supportive of Flora. WILLIAM SPIVEY -- not William, not Billy -- Tootie's 11-year-old nephew who unexpectedly turns up in her (and thus Flora's) life. He is suffering from temporary blindness caused by trauma. MARY ANN -- A beautiful shepherdess keeping guard over the entry way (she's a lamp). There are other people who support or confound Flora and Ulysses. The whole story is sort of Flora's quest or ultimate understanding of love and support. I chuckled out loud many times as I read, but I was also moved several times. Some of the chapters start off with a comic strip panel of Ulysses' adventures, and there are a few other of K.G. Campbell's drawings throughout, which gave the story extra charm. CONTENT NOTE: This may seem like a cute little book with some comics throughout, appropriate for your high-reading 2nd grader. He or she could read it I'm sure, and might like it, but I believe this is a book best enjoyed when that more sophisticated sense of humor and vocabulary kicks in.
