Martin Luther: A Guided Tour Of His Life And Thought (Guided Tour Of Church History)

Synopsis

An introductory guide to the life and works of reformer Martin Luther. His major works are introduced and summarized. Also discussed are his pastoral writings. Protestants of all stripes have long read at least a few of Martin Luther's works, but 21st-century readers need guidance and encouragement. Stephen Nichols' *Martin Luther* provides both. After an exciting overview of Luther's life and theology, Nichols orients the reader to some of the Reformer's major works: *The Bondage of the Will*, *The Three Treatises*, *The Small Catechism*, and *On the Councils and the Church*. Luther's ethical writings, "table talk," hymns, and sermons also receive due attention. "A Select Guide to Books by and about Luther" concludes this volume, which displays more than 20 illustrations.

Customer Reviews

This book helped me to see a man who loved God with all of his being, loved Scripture as the very bread we live off of, loved the Church as only a called Pastor could, and yet was still a frail human. It could be more thorough, but I agree with Everyone that it is a good spring board for the interested party to start to research Luther. I would have liked to see a little bit more on medieval theology to help the reader set a context as to why Luther's thoughts were so ground breaking to a people living in a world of works based salvation. I would recommend *The European Reformations* by Carter Lindberg, specifically chapters 3, 4, & 9 to help fill in holes left by Nichols.

Great work by Nichols. Succinct, but capturing the essentials of Luther's person, work and theology. A great introduction. Highly recommend, and recommend for group discussion amongst those who are serious about the Gospel.

Loved this book, very informative and enjoyable. Very well written and I highly recommend this book to anyone wanting to understand Martin Luther.

The more I learn about Luther, the more I admire his intellect.

Martin Luther is one of the most important figures in history. This book does a great job to describe not only Luther but also his major works.

A fair and accurate historical narrative of Martin Luther's life and theology. I loved this book, and feel like I have a much deeper understanding of the reformation.

Great book to read if you want to get to know who Martin Luther was and what he did for the Christian church. Easy to read as well!
