Customer Reviews

I enjoy this meditation book of Proverbs and highly recommend it. Easy reading and comfortable book to carry around wherever you go. Also a good gift for any age.

This book is fantastic to meditate on. I enjoyed reading this book through the first, second, and third time! There are so many lessons to be learned in life and this book gives you ways to interpret happenings in life. It is certainly a tool to gain christian maturity and spiritual growth. I keep it as a reference and enjoy sharing it with my friends as they experience difficulties in their lives.

We have used these 2 tapes in the car when we travel, and have found them to be insightful, peaceful and motivating. We love them! We also have a copy of the book, and love the photos from Dr. Stanley in them too.

A wonderful devotional book for the book of Proverbs, have read through this book at least once a year for 20 years. Decided to get a few extra to give as gifts.

A wonderful book by Dr. Stanley, have taught part of it in Bible Study, and plan to finish teaching the rest of it.

Dr. Stanley has written an excellent devotional for anyone desiring to learn more of God's wisdom as revealed in His Holy Bible. While the book is organized into 31 separate and brief readings, the reader may also choose to read more than one devotion. The book is less than 150 pages and contains excellent insights and each chapter contains a relevant prayer at the end. Highly recommended. Read and enjoy!

great tool for good living
