Jack has a way of painting a picture with His words and life experiences that draws you into the reality of Father God's love. I myself was stuck. I often wanted to know and "feel" the Daddy love I knew Jesus had with Abba Father, but somewhere I had walls of fear and doubt. I prayed that the Lord would breakthrough. That night I had a dream with Jack Frost in it. I didn't recognize his face, but I told others in the dream he was Jack Frost and that he had ministered the Father's love to me. When I awoke from the dream, I got on the internet and found this book. It was the breakthrough I

longed for. I have since visited Shiloh Place (Jack's ministry) and received even further breakthroughs in really knowing and being secure in the Father's love. I highly recommend this book and the ministry to anyone who is perhaps afraid of God, afraid to be vulnerable in love, afraid to open oneself to experience comfort and kindness. I believe you will find keys that you have longed to hold and use in unlocking the walls of your heart. I did.

I have been so touched and transformed by this book "Experiencing The Father's Embrace by Jack Frost! This book contains a lot of background of what kind of parents that we had. Jack explains that there is no perfect father except Father God. He explains that 80% of our identity comes from our nature father because after all they were the ones that raised us up and thought us from right or wrong. Jack really gets into pin pointing fathers issues. I really like the remark that he mentions that our Father cannot give out something they did not receive themselves. Meaning that if they did not receive love when they were small how can they produce the love to their children or know how to give it, if they have never experienced love themselves? This Book is Great and I Highly Recommend It! Jack's teachings on the Father's Love on CD and Tapes are the best I have found and the wealth of the teaching is un-describable. He has the right name for his conference's "Encounter The Father's Embrace". His ministry is awesome! In Father's Love, Lance Hunt :)

I was lent this book by a friend who thought it would be helpful. It was. It still is. I ended up returning the lent copy and buying my own so I could keep it and continually refer back to it. I've ALSO purchased copies and given them to friends who I thought would benefit from it. Besides the Shack no other book has affected me so much. I've seen myself in many of the pages and have gained hope and encouragement from Pastor Frost's own restoration. If your childhood was less than perfect I don't doubt that you can at least gain some perspective and direction from this book. It directs you to the Answer to all of our problems. God who stands with outstretched arms anxiously longing to wrap you in His loving embrace..

This book clearly explains Father God's love for each one of us. I am using this book (and the questions at the end of each chapter) for a small study group of men in my church. So often in our society, we desire balance in our lives, yet we are working harder on our careers than ever. To be a balanced person, we must first know, then learn to experience God's love as a "father." While our society has marginalized the role of a father in a child's identity, the father's love and guidance is key to developing one's full potential. The love experienced (from God) allows one to take greater

risks in following their dreams knowing that he or she is loved for who they are (a child of God) and not just what they do. Love experienced also allows one to say no to things that compete with experiencing God's love and thereby increase the time spent on relationships, dreams and fun. This is an excellent book for anyone searching to fill that hole in your heart that cries out for unconditional love. Nothing can replace the need for Father-God's love in your life.

This book has principles I have never heard taught anywhere else. They have changed my life as I incorporate them into my heart and mind. One of the most powerful is that you already have all the love your heart is looking for. You simply need to learn how to receive it. You have the Holy Spirit and He is the Source of all love. So simple, yet so profound and life changing. Teach your soul how to receive His love and you will notice a huge difference in your mindset, your emotions, your enjoyment of life, etc. I've read this book twice in order to really try to get this truth inside me. I have bought many copies of this book and given them to friends who also say that it has changed their life. I highly recommend it. God's love is something we all long for deeply, yet we hear such little teaching on. You can also get some of the author's teachings on CD at his web site: [...] He has graduated to his heavenly reward, but his wife continues his ministry today.

Anyone who is a believer in Jesus Christ should read this book. I think it would also be a fabulous book for anyone who may be confused about God or may have been turned off by "the church" and its culture. It is a book that really gets to the heart of the Father and to the issues that may be blocking His children from the love that Father God wants to share with each of us intimately. Definite must-read.
