Customer Reviews

Where volume 9 of THE WALKING DEAD was a lot about developing Rickâ ™s character further and watching how he copes with the aftermath of what happened at the prison in volume 8, volume 10: What We Become is a quick and violent leap right back into the action that has made the series so fun to read. Yes, the character development is great, but letâ ™s face it, when our heroes are battling for their lives, thereâ ™s something addictive about those scenes.Volume 10 covers issues 55-60 of the monthly series, and it starts with Rick, Carl and Lori back at home. How is this possible? Dream sequence. No biggie, then weâ ™re back where we left off at the end of the last book, with Rick and company (now including newcomers Abraham, Eugene and Rosita) on the road, headed to Washington DC.Along the way, Rick talks Abraham into taking a detour so he can go back to his hometown and check on Morgan, whom he had left in the series opener before heading into Atlanta in search of his family.What they find there is both heartbreaking, and a necessary evolution of the story, setting up a series of possible story arcs to come.Once again, series creator Robert Kirkman has created some deep and interesting characters, fleshing out Abraham and also adding just a bit more dept to Rick and Carlâ ™s relationship. But a few of the others get some important screen time as well, namely Dale and Maggie, and what happens to these two in this book could have some serious repercussions in the coming books. Iâ ™m eager to

find out.As far as Charlie Adlardâ ™s art goes, this is probably the best Iâ ™ve seen from him yet.
