The Fulfillment Of All Desire Study Guide

Synopsis

Your Favorite Book Just Got Better Get even more out of the book Fr. Kieran Kavanaugh, O.C.D., calls a complete blueprint of the spiritual journey. This new Fulfillment of All Desire Study Guide is designed to deepen your knowledge, draw you into prayer, and strengthen your relationship with God. It walks you through the essentials of each stage on your journey to God, which Ralph Martin describes in The Fulfillment of All Desire. Each chapter of this Study Guide includes a brief summary of material covered in The Fulfillment of All Desire, questions for comprehension and reflection, further information, and an index of key terms. A glossary at the back of this Study Guide contains concise definitions of all those key terms. The Fulfillment of All Desire Study Guide can be used for group study or independent reading.

There is a wealth of material covered in the tome called The Fulfillment of All Desire Study Guide, so .The Fulfillment of All Desire Study Guide is a very useful tool to get the most out of this book. There is a summary of each chapter followed by a list of Questions for Comprehension. Since Ralph Martin uses such a variety of sources and covers such topics as heaven, hell, temptation, sin, suffering, purification, as well as the main biographical information about these seven doctors of the Church, it is helpful to have questions to help the reader pick out the focal points. I really like that there are Questions for Reflection included for each chapter as well. These are deep, thought-provoking jumping off points for meditation, journaling, spiritual direction...which provide great opportunities to see how relevant these subjects are to our own lives and spiritual growth. It's

also helpful that the main facts about each of the seven saints' lives are listed in the study guide for quick reference. This study guide would make this a wonderful book club pick, if those in the group are avid readers, and/or plan to meet a number of times to discuss the contents, the implications they have in our lives today, and what each topic has stirred up in individual readers. A list of key terms is given at the end of each chapter of the study guide which allow the reader to remember quickly what keywords belong with which saint.
