Age Range: 6 - 9 years

Grade Level: 1 - 4

Customer Reviews

This is a pretty good book, esppecially for the price. These are the ORIGINAL tales by Hans Christian Andersen--and they are all cute and nice. Art work: very beautiful. It's watercolor and just breath taking. There's this one picture of the little mermaid where the prince is telling her that he is going to be married to another maiden on the morrow and her expression of pain and the knowledge that she is going to die is just so vivid. You can FEEL the emotion. Anyway, very beautiful artwork. And for those wondering if the mermaids show off their boobs they don't. It's kid friendly (in that aspect). Anyway, all the stories have beautiful artwork but I'd say my favorites are from Thumbelina and the Little Mermaid. So I'll just review each individual story here. Thumbelina: It's a very cute story. Not a lot of depth but none the less cute and charming. Probably the happiest of the bunch to be honest. It also has a nice message of that everyone has a place where they belong. Anyway I thought it was cute and had a good message. Princess and the Pea: I've always hated this tale. The "real" princess is real because she has sensitive skin. So we're going to reduce girls worth on the sensitivity of their skin?? Not on how kind they are, not on how brave they are, not on how patient they are, but on the sensitivities of their skin...newsflash: you can be an awful person and have sensitive skin. It's just a stupid story. Snow Queen: This story is a nice story of friendship

and loyalty. It is pretty awesome. Also it's broken up into 7 stories (sorta like chapters) this may bother some people but I believe that's how he wrote the story...anyway it doesn't bother me as it's pretty easy to connect the dots.
