Eat, Sleep, Poop

Synopsis

A hilarious book about the busy life of newbornsâ€”an Eat, Pray, Love for the pre-verbal set (and their parents)! Â The new baby hasnâ€™t been here very long, but already has a busy schedule: Eat, sleep, and, of course, poop! Â This tender look at life inside and outside of the crib from a babyâ€™s-eye view is the perfect present for new parents and siblings-to-be.
